

EXECUTIVE SUMMARY

MM Vending Ventures is a Jacksonville, FL small business providing turnkey group lodging, meals, and conference services to federal customers. We contract directly with hotels and resorts to deliver per diem-compliant room blocks, pre-paid meal programs, and fully equipped meeting space — serving as the Government's single point of accountability from award through checkout. Owner-operated: the person who signs the contract is the person managing your event.

- CORE COMPETENCIES — LODGING & EVENT SERVICES
- Group lodging blocks (20–200+ rooms) at or below GSA per diem, negotiated directly with host properties
 - Pre-paid meal voucher and dining credit program administration for adults and children
 - Conference and training space coordination: room setup, tables and linens, signage, and A/V (projectors, screens, sound, HDMI/VGA)
 - Rooming roster management, ADA-accessible room coordination, and special accommodation requests (cribs, early check-in)
 - On-site point of contact for technical and non-technical support during events
 - Family retreat and MWR-style event support: waterpark resorts, recreation access, and child-friendly accommodations
 - Compliance documentation: tax exemption processing, invoicing to CLIN structure, and Wide Area Workflow (WAWF/PIEE)

ACTIVE FEDERAL ENGAGEMENT

MM Vending Ventures is actively engaged across Department of Defense lodging and meals requirements for Army and Air Force customers, including troop movement lodging with meal service, air show support lodging, and chaplain corps family retreat programs. We maintain established group-sales relationships with national hotel brands and major resort properties, including indoor waterpark and conference resorts, enabling rapid availability confirmation and competitive group pricing on compressed timelines.

SECONDARY LINE — VENDING & REFRESHMENT SERVICES

Full-service vending machine placement, stocking, and maintenance with cashless payment systems. Active commercial placements at educational and childcare facilities in Northeast Florida (NAICS 445132 / 722514).
